Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is a petition to revive the above-identified application which was unintentionally abandoned by failure to respond to the Office Action dated 19 September 2005.

This application was unintentionally abandoned. Applicants do not have the 19 September 2005 Office Action in their files. Either the Office Action was misdirected in the mail or was mishandled upon receipt. Applicants were unaware of any problem until receiving the Notice of Abandonment mailed 27 July 2006. Applicants then have moved expeditiously to obtain a copy of the Office Action and references from the Examiner and to prepare the attached response.

Attached hereto is a response to the 19 September Office Action.

The Commissioner is authorized to charge the petition fee of 37 CFR 1.17(m) to nGimat's deposit account 501231 in the amount of \$1500 or current fee. A duplicate copy of this petition is enclosed for charge purposes.
